PRAYER FOR GENEROSITY (St. Ignatius)

Dearest Lord, teach me to be generous,
To serve You as You deserve,
To give and not to count the cost,
To fight and not to heed the wounds,
To toil and not to seek for rest,
To labour and to ask for no reward,
Save that of knowing that I do Your will.

THE SOCIETY OF JESUS (S.J.)

The Founder of the Society of Jesus St. IGNATIUS OF LOYOLA, born in 1491, was the last child of a large Basque family in Spain. The name LOYOLA came from the ancestral castle that was the family heritage. Ignatius was trained to arms and to the etiquette of court life. He enlisted himself in the border wars with France and was badly wounded in a battle in 1521. As he lay convalescing at Loyola, he read the Gospel narratives and the Lives of Saints and was inspired to follow Christ by giving up all worldly ambitions and trappings of power and embracing a life of poverty, sacrifice and service after the example of his saintly mentors.

He began this new life at the age of 31. He spent a year of severe penance and intense prayer in a solitary cave on the banks of the river Cardoner near the town of Manresa in Spain.

He recorded his experiences in the book of the **Spiritual Exercises**, which became the soul and centre, the rule and charter of every Jesuit who came after him. Reflecting on the crisis in the Church of his time, he felt that the need of the hour was for learned and holy priests who were ready to serve the poor and to give witness to the love of Christ for men. To achieve this objective he set himself in right earnest to study from grammar school to college and university in the various Spanish centres of learning and finally took his Master's Degree from the Sorbonne University, Paris. At the same time, he won over a group of brilliant and like-minded university men (one of whom was St. Francis Xavier), moulded them by the Spiritual Exercises and welded them into a religious fraternity which soon became the Society of Jesus. In course of time, the members of the society came to be known popularly as **Jesuits**.

The Jesuits

The Society of Jesus is a world-wide organisation of religious men, numbering about 16,000 spread all over the world, of whom nearly 4000 are working in the 19 provinces and 2 regions of India. In Tamil Nadu alone there are around 500

Jesuits working in schools and colleges, youth services and social work centres, in parishes and in mission outreach programmes and in almost any and every form of service and ministry of the Church.

Jesuit Education - New Orientation

Jesuit Education in the Madurai Province (Tamil Nadu) today draws its inspiration from the two epoch - making statements, viz, the Vision Statement and Preamble to Jesuit Higher Education, that originated in the Madurai Province Meet of 1984.

Excerpts from the Vision Statement (Updated from the latest statement)

- "We understand that the contemporary equivalent of the mission of salvation is the integral liberation of man which is crystallised for us today in an ardent desire to work *towards liberation together with the poor.*"

- "*The preferential option for the poor* means that we cast our lot with them through concerted social action. Our love is, indeed, for all human beings, but it assumes different forms. We love the oppressed by espousing their cause and we love the oppressor by emancipating him from his greed and domination which dehumanize him."

Excerpts from the Preamble to Jesuit Higher Education 1918

- Inspired by the Christian values of joy, love, peace, and justice and guided by the characteristics of Jesuit Education, we, the Jesuits in Higher Education, resolve to liberate the marginalized from the unjust social structures. We want to empower the marginalized by making quality education available for them. Our higher educational institutions will strive to promote teaching-learning, extension, evaluation, promotion of Ignatian values and spirituality, and an eco - conscious campus, leading to integrated growth of the human person. We will try to make our students internalize the Ignatian concept of Magis and seek quality and excellence, so that they become competent in knowledge, skills and attitude, rooted in compassion towards the poor and committed to the creation of a just world.

Excerpts from the Document of General Congregation 34

- "We recognize that universities remain crucial institutional settings in Society. For the poor, they serve as major channels for social advancement. In and through universities important debates take place about ethics, future directions of economics and politics and the very meaning of human existence that shape our culture".

Excerpts from the Document of General Congregation 35

- The complexity of the problems we face and the richness of the opportunities offered demand that we engage in building bridges between the rich and the poor, establishing advocacy links of mutual support between those who hold political power and those who find it difficult to voice their interests. Our intellectual apostolate provides an inestimable help in setting up these bridges, offering us new ways of understanding in depth the mechanisms and links among our present problems. Many Jesuits in educational, social promotion and research institutions, together with others engaged directly with the poor, are already committed to this work.

- This congregation urges all Jesuits and all partners engaged in the same mission, particularly the universities and research centres, to continue promoting studies and practices focusing on the causes of poverty and the improvement of the environment. We should find ways in which our experiences with refugees, the poor, and the displaced on the one hand, and people who work for the protection of the environment on the other hand, could interact with those institutions so that our research and advocacy would be of practical benefit to society and to the environment.

Excerpts from the Document of General Congregation 36

We recognize the signs of God's work, of the great ministry of reconciliation God has begun in Christ... Rather than ask what we should do, we seek to understand how God invites us – and so many people of good will – to share in that great work. (Decree 1, #3]

Discernment, collaboration and networking offer three important perspectives on our contemporary way of proceeding. [Decree 2, #3]

Discernment: This serves as the foundation for decision - making by the proper authority in our way of proceeding. Consistent and participative discernment is our way of ensuring that ongoing apostolic planning, including implementation, monitoring and evaluation, is an integral element in all Jesuit ministry. [Decree 2, #5]

Collaboration: GC36 expresses its gratitude to all those who contribute to and play significant roles in Jesuit ministry. That mission is deepened and ministry is extended by collaboration among all with whom we work, especially those inspired by the Ignatian call. {Decree 2, #6]

Networking: Collaboration naturally leads to cooperation through networks. New technologies of communication open up forms of organization that facilitate collaboration. When properly conceived, networking provides a healthy balance between authority and local initiative. It strengthens local capacity and encourages subsidiarity while assuring a unified sense of mission from a central authority. [Decree 2, #8]

We walk neither by ourselves nor for our own comfort; we walk with a heart that does not rest, that does not close in on itself but beats to the rhythm of a journey undertaken together with all the people faithful to God. Let us walk by making ourselves all things to all people by seeking out someone to help. [Pope Francis, addressing the Delegates of GC 36, Oct. 24, 2016]

Walking together with the young demands of us that we live authentically, with spiritual depth and that we are open to sharing the life-mission that gives meaning to who we are and what we do. Walking with the young sets us on the path of conversion – personal, communal, and institutional.

ST. XAVIER'S COLLEGE
A CENTURY OF ACADEMIC EXCELLENCE
A HISTORICAL SKETCH

St. Xavier's College is run by the Society of St. Francis Xavier, a body registered under the Societies Registration Act, (S.No.3 of 1920 - 21) having its office at Palayamkottai. In 1923 French Jesuit missionaries started this college in Palayamkottai which was once considered poor and backward. Already a Jesuit School had been functioning for nearly 50 years in this place. The Jesuit trio, the select task force, responsible for the founding of the College were Fathers **Mahe, Lebeau** and **Bonhoure**. Their zeal had created a tradition of academic excellence and universal service. Fathers **Adrian Caussanel, Gnanapragasam** and **Dhanasamy** played leading roles in the founding and early development of the College.

St. Xavier's College is a sylvan historian, telling a tale of sublime vision, supreme sacrifice, academic excellence and intense humanism. Established at Palayamkottai in 1923 by Jesuit Fathers of Madurai Province (Fr. Adrian Caussanel S.J., Fr. Mahe S.J., Fr. Lebeau S.J., and Fr. Bonhoure S.J.) with an aim of preparing generations of students who should become "men and women for others," St. Xavier's College has followed the policy of inclusive education. Learning at St. Xavier's College has always been student - centric. The academic year 2022 - 2023 being the centenary year, the yearlong celebrations began on 2nd July 2022 with a Mini - Marathon in the morning and the 96th Graduation Ceremony in the afternoon. The Inaugural Function was held on 9th September 2022. The Centenary Logo focuses on "Reminisce, Rejoice, Radiate." We like to reflect on the past and rejoice because we are standing in a long line of tradition which began one hundred years ago. It is also the time for us to radiate, keeping the vision and mission of our institution.

The College became autonomous in 1987. St. Xavier's College was one of the 47 colleges selected at the national level by the UGC for the status of "College with Potential for Excellence" in September 2004. The college has successfully completed three phases of the status of "College with Potential for Excellence".

Since its inception, St. Xavier's College has continued to grow academically and has expanded through the introduction of new infrastructure facilities. The NAAC Peer Team visited the College on 26th and 27th August 2019 for the fourth cycle and accredited the College at "A++" Grade with a CGPA of 3.66 out of 4. Under the new assessment system introduced by NAAC in July 2017, St. Xavier's College got the first place among all the higher education institutions in Tamil Nadu. This is a significant milestone in the history of St. Xavier's College.

St. Xavier's College, which had 25 intermediate students in 1923, has moved from strength to strength to establish exemplary landmarks in all domains, including academics, research, extra-curricular activities and outreach programmes. At present our college consists of 246 teaching staff, 104 non-teaching staff and 4900 students.

It is a matter of great pride for the Xaverian Family that over the last one hundred years of its glorious presence, St. Xavier's College has charted a distinguished path to emerge as an institution of great eminence at the national level. The alumni of St. Xavier's College such as Former Justice S. Ratnavel Pandian, Justice S. S. Sundar, Justice S. M. Subramaniam, Prof. K. R. Srinivasa Iyengar, Former Vice-Chancellor of Andhra University, Dr. W. Selvamurthy, Chancellor of Amity University, Dr. K. P. Aravanan, Former Vice-Chancellor of Manonmaniam Sundaranar University, Dr. K. Pitchumani, Former Vice-Chancellor of Manonmaniam Sundaranar University, Dr. P. Manisankar, Former Vice-Chancellor of Bharathidasan University, Dr. P. Ramasamy, Former Vice-Chancellor of Alagappa University, Rev. Bro. M. Velankanni, Superior General, Brothers of the Sacred Heart of Jesus, Dr. Jebamalai Vinanciarachi, Former Advisor, UNIDO, Mr. Vaiko, M.P., Mr. Su. Thirunavukarasar, Former M.P., Mr. S. Peter Alphonse, Former Chairman of State Minorities Commission, Tamil Nadu, Mr. M. Malik Feroz Khan, Former Collector of Thoothukudi District, Mr. D. Prakash, ADGP of Police, Uttar Pradesh, Mr. K. Murugan, Former Secretary General, Volleyball Federation of India, Mr. Valampuri John, Former M.P., and Mr. Vijay Antony, Actor cum Music Director, have brought laurels to our institution.

We wanted our centenary year to be a chance to pause and reflect on our past and also be a time to look forward with the Ignatian principle of MAGIS.

COAT OF ARMS

The three branches of palm leaves on the right side of the emblem signify that our institution is situated in Tirunelveli District. The ear of rice corn arched on the left side of the emblem represents Maruthanilam. The local symbols connected by a cross highlight the fact that ours is a Christian Institution. At the top of the cross, the college motto, Veritate Lumen et Vita (Light and Life through Truth) is inscribed.

The shield at the front of the cross, has two divisions. On the right IHS, the Jesuit motto, is inscribed. The squares on the left indicate the spiritual, moral, emotional and intellectual development that education fosters in a person. The emblem thus means that St. Xavier's College is a Jesuit institution of higher learning established in Tirunelveli District for the all-round development of its pupils.

NATURE AND AIM

The Jesuit College aims at the training of young men and women of quality to be leaders in all walks of life so that they may serve the people of our nation in truth, justice and love. Thus it aims at making its own contribution towards a transformation of the present social condition so that justice, equality and the moral values enshrined in the Constitution of India may prevail in the daily life of every citizen.

The aim of St. Xavier's is the sound formation (religious, intellectual, social and physical) of the young based on Christian principles. Every student is required, therefore to attend Catholic Doctrine (for Catholics) or Ethics (for others) classes, and classes on Social Analysis and Personality Development through which students are motivated to such sound formation and integral growth. They are also expected to take part in the extension service programmes organised by the College.

CHOICE - BASED CREDIT SYSTEM

While the Tamil Nadu State Council of Higher Education (TANSCHÉ) came forward to introduce CBCS in all the affiliated colleges in Tamil Nadu in June 2008, St. Xavier's College had already introduced CBCS as early as June 2002 for UG courses and in June 2003 for PG courses. The aim of the Choice Based Credit System is to provide ample choice of subjects to students, based on the weighted credit point system. This system offers the learners a chance to match their aptitude and interest with the subjects of their choice and learn at their own pace. Thus St. Xavier's College gives every student an opportunity to study his / her discipline - specific courses and pursue other courses from any other departments simultaneously.

ESSENTIAL FEATURES OF CBCS

- Standardization of degree courses to internationally accepted levels
- Focus on skill-based curriculum
- Emphasis on value education
- Institution - Industry collaboration
- Provision for earning more credits

STRUCTURE OF THE PG SYLLABUS UNDER CBCS

The existing PG curriculum was thoroughly upgraded based on the expectations of the academicians and the aspirations of the student community. The PG syllabus has two parts : Core and Elective. The minimum number of credits to be earned by a student is 97. The aim of the project work at the PG level is to develop the skill of solving problems and to promote research motivation. All the I year PG students are offered one Value - Added Course and during their II year they are supposed to do one Extra Credit course outside their class hours to enhance their employability skills. However, during every semester, they are free to learn one ECC paper, offered by the respective departments.

CONTINUOUS INTERNAL ASSESSMENT (CIA)

1. There is no internal minimum for any paper. However, Continuous Internal Assessment (CIA) is a mandatory requirement for all the students. A student must take at least one CIA test out of two tests and must fulfill at least one mode of assessment among assignments, quiz, seminars, etc. Otherwise he / she will not be permitted to write the semester examination.
2. **Retest:** If a student is absent for CIA tests with valid and genuine reasons, and if the student applies for CIA retest within a week to the Principal through the Head of the Department, he / she will be given a chance to write the CIA retest. When the Principal gives permission, the HOD will make arrangement for conducting CIA retest within ten days after the first internal test and before the CIA publications for the second internal test.
3. For all UG courses, the pass minimum is 20 marks out of 50 in the external examination and 40 marks out of 100 in the aggregate, that is, internal and external together.
4. For PG and Diploma Courses, the pass minimum is 25 marks out of 50 in the external examination and 50 marks out of 100 in the aggregate, that is, for internal and external together.
5. The number of practicals for practical papers will be decided by the department. At the end of the Semester / Year, Semester Exam for Practical papers will be conducted. The pass minimum is the same as for the theory papers.

6. The internal and external marks will be computed for 50 for each paper and the consolidation of these internal and external marks will be for 100.
7. For all the courses under Part IV (NME / SBE / VE / EVS), the duration of Internal Test is 1 hour and the duration of Semester Examination is 2 hours.

RULES REGARDING INTERNAL ASSESSMENT

The aim of the internal assessment system is to assess the performance of the student throughout the semester. The assessment will be done by the course teachers. CIA has the following components :

1) Two Written Tests (35 + 35)	=	70
2) Other Modes (any two) = 15 + 15	=	30
Total	=	100

OTHER MODES OF INTERNAL ASSESSMENT

1. Quiz announced / unannounced
2. Individual viva or group viva
3. Short duration objective type tests / snap tests
4. Short answer / Problem solving tests (15 minutes to 30 minutes for periodical assessment of cognitive abilities)
5. Long answer tests / Essay writing (30 minutes to 60 minutes for periodical assessment of higher order cognitive abilities)
6. Guided individual / group projects (only for a few talented students)
7. Lab / Field / Practical work / Case study (to assess practical skills in handling instruments, experimenting, reporting etc.)
8. Group discussion (once in a month to assess originality, creativity, initiative, communication skills, etc.)
9. Seminar
10. Assignment

SEMESTER EXAMINATIONS

External examination will be of three hours duration for all the theory and practical papers except NME / SBE / VE / EVS papers. Every theory paper for UG Courses will have objective type questions for 20% of the marks.

THEORY

In general, all theory question papers for semester examinations will be set by external examiners. While there is single valuation for UG answer scripts, there is double valuation for PG scripts, with the subject teacher being one examiner and an external examiner being the second. If the difference of marks between the two valuations is 20 and above, the scripts will be sent for third valuation and the average of the closest two marks will be taken.

The students who have papers in arrear are permitted to write their even semester papers in the even semester examination and odd semester papers in any semester examination. A student can write a maximum of 8 papers in arrear (6 theory + 2 practicals) in any semester examination.

UAP 4 of Society of Jesus states "Collaborate with Gospel Depth for the Protection and Renewal of God is Creation"

PAP 2 of Jesuit Madurai province states "Preserving and Protecting the Environment and Safeguarding the Rights of those Affected by Environment Degradation".

Based on the above two Apostolic planning, the Ecology Commission of Jesuit Madurai Province drafted a mission trajectory with Goals, Objectives and Key Performance Indicators with plan matrixes. In goal No 3, it is stated that research campaign and advocacy for Eco Justice is promoted by networking and collaboration. This objective stresses the importance of climate cell in each college. Hence, from 2025 this Climate Cell will be active in collaboration with Xavier Research Foundation in St. Xavier's College.
