ST. XAVIER'S COLLEGE (AUTONOMOUS), PALAYAMKOTTAI

102nd College Day (28.03.2025)

ANNUAL REPORT 2024-2025

It is truly an honour to stand before you today as we celebrate the extraordinary legacy of St. Xavier's College (Autonomous)—an institution that has served as a beacon of knowledge, wisdom, and excellence, inspiring generations for over a century. As we reflect on its remarkable achievements and milestones, we embark on a journey through 102 years of history, honouring its unwavering dedication to education, social justice, and the betterment of society.

Founded in 1923 by the Jesuit Fathers, St. Xavier's College was established with a noble mission: to provide higher education, particularly to the poor and marginalized sections of society. Over the decades, it has flourished into an institution of unparalleled repute, thanks to the tireless efforts of its educators, who have shaped the minds and hearts of countless students. For more than a century, St. Xavier's has stood as a testament to the transformative power of education, with 60% of its students being first-generation graduates. Guided by the pillars of academic excellence, character formation, and service to society, the college has nurtured young minds, empowering them to become confident, compassionate individuals ready to make a meaningful impact on the world.

Rooted in the Jesuit philosophy of "finding God in all things," St. Xavier's College emphasizes personal growth and a commitment to the common good. At the "Re-Envisioning Higher Education in India" (RHEEES '25) conference in February 2025, Fr. Arturo Sosa, S.J., Superior General of the Society of Jesus, highlighted the importance of innovation, interreligious dialogue, and integrating social justice and ecological concerns into education. He urged Jesuit institutions to collaborate to address global challenges and stressed the value of discernment in creating environments where faculty, researchers, and students can thrive with purpose and meaning. At St. Xavier's, this vision is brought to life through dedicated faculty, a vibrant student community, and an unwavering commitment to excellence. The college continues to uphold its proud tradition of empowering students, fostering leadership, and striving for the upliftment of the socially disadvantaged.

Today, as we come together to celebrate this illustrious journey, let us take immense pride in being part of an institution that not only imparts knowledge but also instills enduring values, cultivates talent, and builds futures. Let us cherish this rich legacy and look forward to even greater achievements in the years to come. Together, we honour the past, celebrate the present, and envision a future where St. Xavier's College continues to shine as a guiding light, inspiring and empowering generations to come.
