ST.XAVIER'S COLLEGE (AUTONOMOUS), PALAYAMKOTTAI

101st College Day (16.03.2024)

ANNUAL REPORT 2023-2024

Distinguished Chief Guest Thiru R. G. Chandramogan, our illustrious alumnus and Chairman and MD of Hatsun Agro Product, Guest of Honour Dr. Pa. Moorthy, Commissioner of Police, Tirunelveli City, Rev. Fr. Dr. V. Henry Jerome, S.J., Rector, St. Xavier's Institutions, Rev. Fr. Dr. G. Pushparaj S.J., Secretary, Dr. B. Xavier Innocent, Deputy Principal, Rev. Fathers and Brothers, Vice-Principals, Controller of Examinations, Deans, Directors of IQAC, Heads of Departments, Coordinators, Learned Professors, Administrative Staff, Retired Staff, Alumni, Guests, Media and my dear Students!

St. Xavier's College (Autonomous) has an illustrious journey marked by unwavering commitment to academic excellence, holistic development, and upliftment of the socially disadvantaged people. Over the last century, St. Xavier's College has not merely been a seat of learning but a place where minds are shaped, character is honed, and dreams are nurtured. The commitment to academic rigor, coupled with a nurturing environment, has consistently produced graduates who are socially committed men and women of the world.

As we reflect on the myriad achievements and milestones, let us embark on a journey through the pages of our 101-year history, celebrating the endeavors and triumphs. St. Xavier's College was established by the Jesuit Fathers in 1923 with an aim of providing higher education to the people, especially the poor and the marginalized sections of the society. Our college has grown from strength to strength because of the dedicated work of the teachers who have inspired generations of students. During the past one hundred years, St. Xavier's College has stood for social justice. 60% of our students are first generation graduates. Academic excellence, character formation and service to the society are the three important goals of our institution.

Grounded in a spirituality that seeks to "find God in all things," the pedagogical approach of Jesuit institutions emphasizes an individual agency, while contextualizing it within a broader search for the common good. Most. Rev. Fr. Arturo Sosa, S.J., Superior General of the Society of Jesus, said in his address delivered at the International Association of Jesuit Universities (IAJU) Assembly held at Boston on 04.08. 2022: "We propose to animate institutions that are excellent because the people who work, do research, teach and study in them find the conditions to lead lives that advance toward fullness…. The transmission of knowledge as a fundamental dimension of the university's task contributes to the formation of well – integrated persons, committed to the transformation of society, agents of reconciliation who struggle for social justice". For

the past 101 years, St. Xavier's College has helped students contribute to the global community through actions that are rooted in justice, peace and love.

As we gather to celebrate this momentous occasion, we find ourselves immersed in the echoes of the past, the vibrancy of the present, and the promises of the future. This annual day report serves as a testament to the resilience, innovation, commitment, and collective spirit that define our institution. With this legitimate pride and satisfaction, I present this report which outlines the quality enhancement measures implemented in the academic year 2023-2024.

This event was a heartfelt gesture to warmly welcome the incoming students who have recently joined our hostel community. It is just not a fresher’s day party but it is arranged in such a way that the seniors and new comers bond is established and a good platform for friendship is provided.

A community worship was celebrated by Rev. Fr. Henry Jerome S.J., and the entire hostel together as a well - knit family together prayed for the forthcoming year to be a fruitful year. The seniors arranged all the entire events remarkably well.

XaHo Enviro Club:

We at XAHO have this program called “XaHo Enviro Club” in our hostel campus where the students take part during their leisure hours by planting trees and saplings. This year we have planted over 280 coconut plants, around 140 drumstick plants and over 70 other plants such as lemon and mango plants. The objective of this group is to fosteran understanding of nature's interconnectedness and create awareness among students about the importance of environmental conservation, sustainability, and the impact of human activities on the planet. This activity has instilled responsibility and pride as students nurture saplings, creating lasting environmental connections. This year we have planted around 500 saplings and our students take care of them periodically.

XAHO Share and Care:

This year, we carried on with our group initiative known as 'XAHO Share and Care' in Palayamkottai town, focusing on aiding destitute and abandoned individuals. Students volunteered to contribute and raise funds from their peers for a noble cause: providing blankets to impoverished pavement dwellers. We distributed food packets to those in need during night times with the help of students and volunteers within the town. This action vividly reflects the Jesuit Education motto, which emphasizes nurturing individuals for the betterment of others, as exemplified by the students of Xavier Hostel.

During the tragic flood, The Share and Care group, demonstrated unwavering commitment and selflessness in aiding flood - affected communities. From 19.12.2023 to 23.12.2023, they distributed thousands of food packets, water bottles, blankets, clothes, and other essentials to various affected areas, collaborating with various organizations. The efforts, driven by compassion and supported by generous contributions, exhibited a commendable display of solidarity and generosity. We own our sincere thanks to our senior brothers of Xavier Hostel and the members of Share and Care groups from Salem and Trichy for their significant support. At

times of great agony and anxiety, through Share and Care group, we have distributed above over 50,000 food packets, water bottles and other essential items to alleviate the distress of those affected by the floods.

XAHO Christmas:

The Nativity Celebration at XAHO was exceptionally vibrant this year. Every hostel block shimmered with stars and lights, symbolizing the arrival of Jesus. The festivities included a variety of cultural performances, from dances to songs. Rev. Fr. Stalin delivered his Christmas message, and Fr. Rector blessed the assembly, announcing the winners of the crib competition. He also commended the students who generously contributed to XAHO's Share and Care initiative. The joyous atmosphere at XAHO echoed the heavenly bliss of Christ's birth.

Pongal Celebration

The ‘Thai Pongal’ celebration at XAHO exemplifies the vibrant spirit of the institution. The campus was adorned in traditional fashion, with coconut leaves and sugarcane lending a festive air. Pongal preparation was a central focus, with shouts of "Pongal O Pongal" resonating throughout the day. Dr. V. Rilbrt Janarthanan Assistant Proffesor of St. Xavier’s College, graced the event as chief guest, enlightening students about the significance of Tamil culture and the importance of Pongal in Tamil life. He exhorted the young minds to uphold the values inherent in Tamil culture. The festivities included lively folk dance performances and Pongal games, igniting our enthusiasm twofold.

XAHO INIGO BOYS

We also have regular spiritual activities like praying the rosary in the hostel chapel everyday and holy mass is celebrated to help the students grow in spirituality and to connect with their inner selves and higher power.

Jesuit Educational Support

Providing financial support is one great significance of our Xavier Hostel. In order to ease the financial burden of well performing students, Jesuit Educational Support JES scholarship is

provided for the really deserving students to pay their college and hostel fees. This year a total of 120 XAHO students received JES scholarship to the tune of Rs. 3,84,000/-.

XAHO BLITZ'24

The annual day celebrations at the hostel, known as XAHO Blitz'24, are a time to honor and appreciate the diverse talents of our students. Throughout the year, a variety of arts, literary, sports, and cultural competitions were organized and held. Students were divided into four teams. Competitions were held among these groups to encourage the development and nurturing of their talents. Events included English and Tamil Essay Writing, Elocution in Both Languages, Dance Performances, Ad-Zap Contests, Dumb Charades, and Solo as well as Group Singing Competitions. Additionally, Sports Competitions such as Basketball, Volleyball, Cricket, and Badminton were conducted. These activities not only kept the spirit of camaraderie alive but also fostered friendships among the students.

Conclusion

We extend our sincere appreciation to the Jesuit Management of St. Xavier's College, Palayamkottai, for their unwavering support and dedication to the holistic growth of our students. Furthermore, we express gratitude to our students for their continuous support and valuable feedback, which enables us to live together as a family.

As we reflect on the past year, we are gratified by the sense of purpose, passion, and progress that has characterized our journey. Let us continue to strengthen the bonds of friendship and camaraderie as we embark on the path ahead. Thanks for all that has been…. Yes to all that shall be……
