About Us

St. Xavier's College was established at Palayamkottai in 1923 by Jesuit Fathers of the Jesuit Madurai Province with an aim of preparing generations of students for a happy, healthy and harmonious life. The motto of the college is *Veritate Lumen et Vita* (Light and Life through Truth).

The Department of Zoology was started in 1927 when the subject was taught to the intermediate students. B. Sc. Degree program was started in 1957 and upgraded to M. Sc. In the year 1979. The department was recognized as a research department in 1985 with Ph. D. program and M. Phil. program is offered since 1986. In the year 2003 and 2018, the department was recognized as DST-FIST sponsored department. In 2014, the department was included under STAR-College Department Scheme offered by the Department of Biotechnology, Ministry of Science and Technology, Govt. of India. The department in 2018 celebrated its Diamond Jubilee commemorating its 60 successful years. At present, the faculty members have individual laboratories and guide research scholars for their doctoral degree and work in areas of basic and applied aspects of aquaculture, zoology, agriculture zoology, medical entomology, insect immunology, wildlife biology, phytochemistry and pharmacology.
