ORIENTATION PROGRAMME FOR TEACHERS

DATE: 16th JUNE 2023

VENUE: Matha Malligai, KTC Nagar.

Day 2 began on June 16, 2021, at Matha Maligai. The program is intended for all teaching faculty members. The day commenced with a prayer song performed by Dr. Helina and her team. Dr. J. Sahaya Mary, Assistant Director of IQAC, delivered the welcome address.

Rev. Fr. Dr. V. Henry Jerome S.J., the Rector of St. Xavier's Institutions, graced the occasion by acknowledging the XAVERIAN family for securing the 55th position in the NIRF ranking. He then delved into the topic of "Education 5.0: Generation Z Learners," emphasizing the utilization of technology, augmented reality, and virtual reality for interactive learning experiences. Father encouraged the teaching fraternity to adopt Education 5.0 to engage the current generation of learners effectively. Additionally, he underscored the importance of personalized, remote, and customized learning, which are integral components of Education 4.0 and 5.0.

Following this, Rev. Fr. Dr. G. Pushparaj S.J., the Secretary of St. Xavier's College, highlighted the necessity of updating knowledge in alignment with contemporary needs. He proposed the integration of various disciplines to foster a deeper understanding of subjects and advocated for cross-domain learning experiences to facilitate hands-on, real-world applications.

The stage was then set for discussions on "Interdisciplinarity," following the revelations by the Secretary.

Rev. Fr. Dr. S. Mariadoss S.J., the Principal of St. Xavier's College, expressed gratitude for the college's achievement in the NIRF ranking and recognized the successful completion of the BRIDGE COURSE. He commended the efforts of Dr. Twin Antony Edward, Dr. Veera Lakshmi, and all faculty members of the English department.

Father Mariadoss reiterated the college's commitment to excellence and outlined top priorities for the academic year, including innovation in curriculum, implementation of skill-based programs, restructuring of online courses, increased focus on research, and extension services. He urged the transformation of the college into a student-centric education ecosystem.

Afterward, the faculty gathered for Technical Sessions.

Technical Session - I, led by Dr. A. Joseph Dorai Raj, Professor at the School of English and Foreign Languages, Gandhi Gram Rural Institute, focused on "Interdisciplinarity." Dr. Dorai Raj elaborated on the qualities required for a field of study to be considered a discipline and discussed the types of disciplinarity, namely multidisciplinarity, interdisciplinarity, and transdisciplinarity.

He addressed the challenges in implementing interdisciplinary programs, such as departmental closeness and limited job opportunities, and proposed solutions to promote interdisciplinary approaches, including the introduction of interdisciplinary papers, encouraging research scholars to enroll in MOOC courses, and organizing joint workshops and conferences.

The second technical session, conducted by Dr. A. Joseph Dorai Raj, centered on "Research Ethics." The session covered themes such as academic integrity, issues in research ethics, and UGC recommendations/regulations for research in India. Dr. Dorai Raj discussed various forms of academic dishonesty, including plagiarism, fabrication, and ghost authorship, and emphasized the importance of upholding ethical standards in research practices.

Technical Session III, conducted by Dr. Mary Magdalene Abraham, highlighted the topic of the ideal conduct of a professor.

The etiquette of a professor encompasses a range of professional behaviors and practices that contribute to effective teaching, research, and collegial relationships within the academic community. It includes professionalism, respect, and effective communication. Punctuality, preparedness, and fairness in interactions with students, colleagues, and staff are crucial. Professors should also maintain accessibility, demonstrate commitment to teaching and learning, and uphold research integrity.

Cultivating collegiality and fostering a positive academic environment are essential components.

Dr. Mary Magdalene Abraham emphasized that emotional and spiritual learning for professors is a vital aspect of their professional development. This learning focuses on nurturing emotional intelligence, resilience, and a sense of purpose. Practices such as mindfulness, self-reflection, and compassion enhance professors' effectiveness in teaching, research, and mentorship. Integrating these elements into professional development initiatives supports professors' holistic well-being and fulfillment in their academic roles.

The day concluded around 4:00 PM.
