

## ST. XAVIER'S COLLEGE (AUTONOMOUS) PALAYAMKOTTAI - 627 002

(Recognized as "College with Potential for Excellence" by UGC & Accredited by NAAC at A++ Grade with a CGPA of 3.66 out of 4)

---

### ANNUAL REPORT 2022-2023

#### Xavier Research Foundation

Xavier Research Foundation (XRF) is one of the innovative initiatives of St Xavier's College management to promote interdisciplinary research, publication and extension activities. It is a research center of eminence to promote cutting edge pursuits to solve peoples' problems and to protect the environment. Director, three Scientists, two Emeritus Scientists, Six project fellows and research scholars and a technical assistant are working full time at XRF. XRF is recognized by M.S. University as Interdisciplinary research centre. (MSU/RES/R4/IRC/2021)

Currently XRF is running four major and one minor project related to Agro Tourism, Organic Agriculture, Environmental Awareness and Promoting herbal gardens in schools in Tirunelveli District. We are also working on indigenous traditional herbal medicines to cure some diseases based on rigorous scientific evaluation. XRF has developed some natural products to control insects and pests.

XRF has published 34 research papers, 4 General articles and 14 popular articles. The publication of the 'Flora of Tirunelveli hills', a dream project of Fr V.S Manickam S.J., is completed. XRF has published 5 Books. படைப்பு அனைத்தும் உமதே!, *Flor of Tirunelveli Hills*, Gamopetalae, Vol II. Text, *Flora of Tirunelveli Hills*, Gamopetalae, Vol II. Figures, *Flora of Tirunelveli Hills*, Monochlamydae, Vol. III Text, *Flora of Tirunelveli Hills*, Monochlamydae, Vol. III Figures

XRF is helping many students to refer the SXC herbarium and to utilize its facilities for their research. Many MSC students are doing their project works. Digitalization of herbarium is in progress.
